PUBLIC NOTICE OF HEARING ON APPLICATION BY WAYWARD WINDS FOR A CERTIFICATE OF CONVENIENCE AND NECESSITY **DOCKET NO. W-20553A-08-0467**

On September 8, 2008 Wayward Winds ("Company") filed an application with the Arizona Corporation Commission (commission") for a Certificate of Convenience and Necessity (Certificate"). If the application is granted the Company would be the exclusive provider of water service within the requested area, and would be required to provide service within the requested area, and would be required to provide service on the terms and conditions as established by the Commission.

The application is available for inspection during regular business hours at the offices of the Commission in Phoenix, at 1200 West Washington Street, Phoenix, Arizona, and in Tucson, at 400 West Congress Street, Suite 218, Tucson, Arizona, and at the offices of the Applicant, 5416 E. Hwy 181, Pearce, Arizona 85625. The application is also available on the Commission's website, www.azcc.gov, using the e-Docket link.

The Commission will hold a hearing on this matter on **January 23, 2009 at 10:00 a.m.**, or as soon thereafter as is practical, at the Commission's Tucson offices, **Room 222, 400 West Congress, Tucson, Arizona 85701.**

The law provides for an open public hearing at which, under appropriate circumstances, interested persons may intervene in the proceedings and participate as a party. Persons desiring to intervene must file a written motion to intervene with the Commission and send such motion to Applicant or its counsel and to all parties of record. The motion must, at the minimum, contain the following:

1. The name, address, and telephone number of the proposed intervenor and of any party upon whom service of documents is to be made if different from that of the intervenor.
2. A short statement of the proposed intervenor's interest in the proceeding (e.g., a customer or potential customer of the Applicant, a member or shareholder of the Applicant, etc.)
3. A statement certifying that a copy of the motion to intervene has been mailed to the Applicant or its counsel and to all parties of record in the case.

The granting of motions to intervene shall be governed by A.A.C. R14-3-105, except that all motions to intervene must be filed on or before January 2, 2009. If representation by counsel is required by Rule 31 of the Rules of the Arizona Supreme Court, intervention will be conditioned upon the intervenor obtaining counsel to represent the intervenor. For information about requesting intervention, visit the Arizona Corporation Commission's webpage at <http://www.azcc.gov/utility/forms/index.htm>. The granting of intervention, among other things, entitles a party to present sworn evidence at hearing and to cross-examine other witnesses. However, failure to intervene will not preclude any customer from appearing at the hearing and making a statement on such customer's own behalf.

If you have any questions about this application, you may contact Applicant at N.D. Bales, 5416 E. Hwy 181, Pearce, AZ 85625, 520-824-3616. If you want further information on intervention or have questions on how to file comments, you may contact the Consumer Services Section of the Commission at 1200 West Washington Street, Phoenix, Arizona 85007 or call 1-800-222-7000 or (520) 628-6550.

The Commission does not discriminate on the basis of disability in admission to its public meetings. Persons with a disability may request a reasonable accommodation such as a sign language interpreter, as well as request this document in an alternative format, by contacting Linda Hogan, ADA Coordinator, voice phone number 602/542-3931, E-mail: L.Hogan@azcc.gov. Requests should be made as early as possible to allow time to arrange the accommodation.
